About this Pattern

My easy and free beginner knit scarf pattern is a great place to start to learn knitting. Below are two patterns. One is for an extra wide scarf - 9 inches in width. The second is for a standard size scarf - 7 inches in width. Both patterns are for a simple scarf in garter stitch - a stitch made up completely of the basic knit stitch. This simple scarf pattern requires knowledge of a cast-on, the knit stitch, and a bind off. Practice makes perfect, so repeating the knit stitch as you do in this pattern is a wonderful way to work on your tension, accuracy, and speed. Remember to try and keep all your loops on the needles evenly and tightly, but not so tightly that you won't slide down your needles easily.

Materials

- Size 8/5.0 mm 24 inch circular knitting needles (or size needed to obtain gauge)
- Two (2) 315-Yard Skeins of Caron Simply Soft Yarn in the color of your choice (pictured in dark country blue).
- Tapestry needle

Notes: You can also substitute another brand of worsted weight yarn if you wish.

Abbreviations

- k = knit

Gauge

18 stitches and 24 rows = 4 inches
