

Ribbed Chunky Beanie

One Size Fits Most.

A Knitting Pattern by Liz Chandler @PurlsAndPixels

About This Pattern

Whip up this cozy, one-size-fits most hat in no time flat! Made with super bulky weight yarn, and large knitting needles, this is the quickest ribbed-hat pattern. A knit, purl rib pattern gives texture without having to work complex stitches. Round out the top of the hat with a subtle swirled star made by knitting two stitches together. Though pictured here in Hometown by Lion Brand Yarn, you can make this hat with nearly any super bulky weight yarn; Malabrigo Rasta Works well, also.

Adults and teens will wear this hat as a beanie. Most babies and children will need to fold the brim up, but they will all look adorable in their cozy new hats.

Instructions: Ribbed Chunky Beanie

(One Size Fits Most)

Use the Long-Tail Cast On method. Knit in the round. *For Double Point Needles, follow DPN instructions written in italics. For circular needles, follow instructions written in bold. On long circular needles, follow the Magic Loop instructions. Or, for this size, you can substitute short (16-inch) circular needles to knit in the round without the Magic Loop; you will need to switch to DPNs or the Magic Loop to complete the decreases at the top of the hat.* If desired, use a stitch marker to keep track of the beginning/ends of your rows/rounds by placing it between the last and first stitch of each row/round.

[Using No. 13 DPNs or long circular needles or short circular needles] Row 1: Cast on 40 stitches. *Divide onto 3 DPNs (14 on 1st, 12 on 2nd, and 14 on 3rd DPN).* Or **separate stitches on long circular needles for Magic Loop (20 on each side).** Or **place all cast on stitches onto short circular needles.** (40 stitches)

Row 2: Join the round (taking care not to twist stitches) and *k, p* x 20. (40 stitches)

Rows 3 - 21: *k, p* x 20. (40 stitches) {Work should measure 6.5 inches (14 cm) at this point.}

{Begin decreases.} [Begin decreases] Row 22:>(*k, p* x 3), k2tog* x 5 (35 stitches).

[Switch to No. 13 DPNs or long circular needles] Row 23:>(*k, p* x 2), k 1, k2tog* x 5 (30 stitches).

Row 24:>(*k, p* x 2), k2tog* x 5 (25 stitches).

Row 25: *k, p, k, k2tog* x 5 (20 stitches).

Row 26: *k, p, k2tog* x 5 (15 stitches).

Row 27: *k, k2tog* x 5 (10 stitches).

Cut yarn, leaving an 8-inch (20.32-cm) tail. With a darning needle, draw yarn tightly through remaining 10 stitches. Weave in ends. Block if desired.
